**Celebrating Tradition** — Hey Souderton Residents! Did you know that the grass field next to Perseverance Fire Company used to host an ice skating pond? Maybe you recall ice skating at what is now Lawn Avenue Park (behind the Boy's & Girls Club). Ice Skating has long been a loved local pastime of Souderton residents. The 125th Anniversary Committee had hoped to celebrate this tradition and purchased a temporary ice skating rink which was installed in Souderton Park. The bad news is that local temperatures have been at record highs this winter, and our Ice Skating Party in the Park didn't work out. The good news is that since we purchased the rink as a gift to the community, we can try again next year!

**Working Together** — We've decided to move our party indoors to Hatfield Ice where we hope we won't be subject mother nature's unpredictability. Join us on March 4th from 5-7pm as we Celebrate Souderton with a free Ice Skating Party!

**Moving Forward** — For more information on our year of celebrations, updates on the Ice Skating Rink or Skating Party, check with the Souderton Borough Office (215-723-4371) or see our Facebook Page: [www.facebook.com/pages/Souderton125/312300928812134](http://www.facebook.com/pages/Souderton125/312300928812134).
