## Finance & Compliance Specialist

### Description

Are you an analytical problem solver who enjoys applying your technical skills each day? The Finance & Compliance Specialist works with a dynamic team in the finance department to ensure the accounting and compliance operations run smoothly for Lacher's clients, vendors, and team members.

On our team you will:

- Create client invoices and post client cash receipts
- Import and post insurance carrier commissions
- Reconcile commission statements
- Perform revenue projections and compliance filings
- Manage Lacher's agent licensure renewal and continuing education

### Experience & Skills

To be successful in this role, you are a person who is humble, hungry, and people smart and committed to continuous growth and improvement. You have a comprehensive understanding of accounting principles, AR/AP, and aptitude to learn the insurance industry. You are trustworthy and dependable.

We work according to a set of principles that keep us focused on connecting with people; creating remarkable experiences for our clients and team; and taking the necessary risks to improve and simplify life for the people we serve.
