Client Coordinator, Personal Insurance

Description

Insurance can seem complicated. There are deductibles and limits and all kinds of jargon. At Lacher, we work hard to simplify the complexity of insurance and help people make the right decisions for themselves and their families.

We know that insurance is a commodity – remarkable service is not.

On our team you will:

- Build strong relationships with our clients and provide a remarkable client experience
- Work closely with and support the Client Managers, Client Executives, and Advisors
- Respond to basic client questions and service requests
- Serve as the connection between our clients and insurance companies
- Process applications, new policies, proposals and renewals, and more
- Get your property & casualty (P&C) license

Experience & Skills

We hire both seasoned insurance pros and people new to the business. Successful Client Coordinators on our team come humble, hungry, and people smart and committed to continuous growth and improvement.

We work according to a set of principles that keep us focused on connecting with people, creating remarkable experiences for our clients and team, and taking the necessary risks to improve and simplify life for the people we serve.
